2 INVITATION TEMPLATE

Below is a link to your invitation template. You are going to be redirected to a software called Canva to edit your invitation.

[CLICK TO EDIT INVITATION](#)

3 TIPS

- You need to sign up to Canva to customize your invitation in Canva for free
- The invitations are made specifically to be edited in Canva
- The invitation size is 5 X 7 inches
- Graphics and backgrounds cannot be edited or changed. Only the text can be edited
- Text can be added or moved around
- Font size, colour and style can be changed (desktop and laptop only)
- You can edit and print the template as often as you like for personal use. All templates are for personal use only and cannot be resold, shared or used commercially
