

Dear

Christmas is my favourite time of year. I am so excited Santa sent me here. My current name is Elf, but please give me a new name. This will help me to know you are happy I came. I will watch and listen. Reporting back to Santa is my mission. Every night through the snow, I'll make my way to the North Pole. I'll be telling Santa everything he wants to know. I will find a new spot to stay each and every day. It is important to know that touching me will make my magic go away. So please remember, hands off so I'll be able to stay. Do your very best. Santa and I will do the rest. I can't wait to see the wonderful things you do. I hope every year I can come back to you!

Your friend Elf
